Dear Kate and the ESCO Technologies Foundation Board of Directors,

As we enter the 2011 Holiday Season we are reminded of the important role that family and friends play in our daily lives. In keeping with the spirit of this holiday season, we give thanks for friends like you for helping us to enrich the daily lives of the children and families we serve.

Thank you again for your generous donation of \$7,500 for the purchase of ipads and electronic games at the Bob Costas Cancer Center. It is because of your generosity that our emotional, educational and recreational programs continue to grow to meet the increasing needs of entertainment and support.

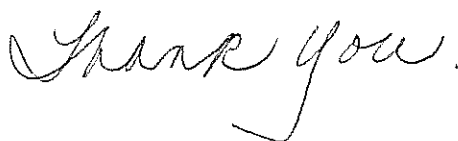

Please accept this letter as a receipt and our heartfelt thanks for your donation* to Friends of Kids with Cancer. Friends of Kids with Cancer is a tax deductible organization as described by the Internal Revenue Service Code 501(c) (3). Our tax identification number is 43-1614563. You received neither goods nor services in exchange for your generosity.

We are very fortunate to have such caring "friends" like you, to share in our mission of **helping a kid with cancer...be a kid**. We wish you peace, joy, health and happiness during this Holiday Season and throughout the coming year!

Warmest regards,

Judy Ciapciak
Executive Director
