Ms. Kate Lowrey, Chair  
ESCO Technologies Foundation  
9900A Clayton Rd.  
St. Louis, MO 63124-1186

Dear Ms. Lowrey,

I was pleased to learn of the generous gift made by the employees of ESCO Technologies through the ESCO Technologies Foundation.

Your contribution of \$5,000 to the children served by Great Circle will directly benefit youth with an autism diagnosis living in residential care. While this program is still new to our continuum, we have helped children improve their social and daily living skills through targeted therapy and education.

A variety of sensory areas, specialized education, speech, occupational, music, art and recreational therapies all create a connection to people who help children feel safe, calm and loved.

Please share our gratitude with the employees of ESCO Technologies, who contribute to the Foundation and in turn to the St. Louis community. With their help, we are reshaping vulnerable young lives. Thank you.

Sincerely,

Vincent D. Hillyer, ACSW, LCSW, BCD  
President and CEO
